Hiking: Mystical moments in the European nature reserve Wiegensee

🕒 Donnerstag 8:45 o'clock

Discover a unique moorland biotope on the way to Wiegensee, the oldest natural reservoir in the Montafon. Experience the moor habitat up close and listen to exciting stories: Where does the name "Wiegensee" come from? What is a swing grass? And why do plants eat animals? In front of an impressive view of the majestic Silvretta, enjoy a fresh buttermilk from Alp Verbella before we make our way back down through fragrant mountain forests to the valley.
