Hiking: Panorama tour around the Hohe Rad

🕒 Freitag 7:45 o'clock

This challenging circular tour is one of the most beautiful hikes in the Silvretta. From Lake Silvretta, the trail leads through the impressive Bieltal valley up to the Radsattel. Once at the top, a breathtaking panorama opens up: majestic three-thousand-metre peaks tower imposingly into the sky, led by Piz Buin, the highest mountain in Vorarlberg. In the midst of this impressive backdrop, the Wiesbadener Hütte invites you to take a well-deserved rest. Refreshed, you then return to Lake Silvretta via the Ochsental valley. Information about the closure of the Silvretta High Alpine Road: The Bielerhöhe is only open this summer when the weather is good. A decision about whether to open is made each day. If the road is closed on the day of the hike, the tour will unfortunately have to be cancelled. Guests will be informed by the hiking guides on the morning of the tour.
