Important Information

You'll find restrooms and places to eat at the Madlenerhaus.

You can use the cross-country ski trails in the Montafon for free. Please note, however, that the extended cross-country trails and connecting routes from Silvretta-Bielerhöhe toward the Paznaun Valley require a fee.

If you don't have your own equipment, there are various options for renting winter sports gear in the Montafon.

The cross-country ski trails are groomed by the respective municipalities or mountain railways, depending on weather and snow conditions. A sufficient and stable snow cover is required for machine grooming. The current trail status is continuously updated by the responsible staff on site.

Tips

The short Madlenerhaus trail is particularly well-suited for getting started with cross-country skiing on the Silvretta-Bielerhöhe or as a quick loop in between other activities.

By connecting to the other trails on the Bielerhöhe, you can extend the loop depending on your fitness level and the time you have available.
