Important Information

You'll find restrooms and a place to eat right at the Piz Buin Mountain Inn on the Silvretta-Bielerhöhe. The mountain inn is located directly at the starting point of the cross-country ski trail.

You can use the cross-country ski trails in the Montafon for free. Please note, however, that the cross-country trails and connecting routes extending from the Silvretta-Bielerhöhe toward the Paznaun Valley require a fee.

If you don't have your own equipment, there are various options in the Montafon for renting winter sports gear.

The cross-country trails are groomed by the responsible municipalities or mountain railways, depending on weather and snow conditions. A sufficient and stable snowpack is required for mechanical grooming. The current trail status is continuously updated by the responsible staff on site.

Tips

The Dammloipe is connected to Trail No. 1 (Bielerhöhe-Galtür) as well as to the Silvretta high-altitude trails. This allows you to extend your route depending on your fitness level, available time, and current conditions.

Thanks to its short length and mostly flat terrain, the Dammloipe is also well-suited for a shorter cross-country ski loop on the Silvretta-Bielerhöhe.
