Important Notes

You'll find restrooms and places to eat at the Piz Buin Mountain Inn or the Silvretta-Haus.

You can use the cross-country ski trails in the Montafon for free. Please note, however, that the extended cross-country trails and connecting routes from Silvretta-Bielerhöhe toward the Paznaun Valley require a fee.

If you don't have your own equipment, there are various options for renting winter sports gear in the Montafon.

The cross-country trails are groomed by the responsible municipalities or mountain railways, depending on weather and snow conditions. A sufficient and stable snow cover is required for mechanical grooming. The current trail status is continuously updated by the responsible staff on site.

Tips

The medium-altitude cross-country trail can be easily combined with the Dammloipe as well as the small and large Silvretta high-altitude trails. This allows you to customize your route based on your fitness level, available time, and current conditions.

Thanks to its moderate inclines, the trail is particularly well-suited for cross-country skiers who already have some experience and are looking for a more challenging loop on the Silvretta-Bielerhöhe.
